6. Interventions

ETA Guidance Note: The ETA (section 212ZF) sets out a framework for Interventions, including the types of Interventions that the Authorisation Board can apply. These are summarised below for ease of reference. This clause 6 sets out further detail on the grounds and process that the Authorisation Board will follow if it applies an Intervention.

Performance Interventions: The Authorisation Board may apply the following 'lower-level' Interventions:

- **Reporting:** require the Sponsor to provide the Authorisation Board with specified information and/or analysis of that information (at a given time and/or at specified intervals).
- **Action:** require the Sponsor to carry out a specified action and/or provide the Chief Executive with a report on the action taken (at a given time and/or at specified intervals). By way of example, this could include developing and agreeing to a Remedial Plan, providing a progress report and a final report on action taken or requiring the Sponsor to engage an expert to undertake an audit or to appoint an advisor to assist the Sponsor to improve performance (at the Sponsor's cost).
- **Review:** require the ERO Chief Review Officer to review the Sponsor's governance and management of the Charter School.

Termination Interventions: The Authorisation Board may terminate this Agreement or terminate this Agreement and replace the Sponsor with another Sponsor. The grounds and process for Termination Interventions are set out under the ETA (section 212ZF(3),(5) and (6)).

Sponsor's obligations:

If a Sponsor is subject to an Intervention, it must comply with the obligations set out in the ETA (section 212ZG).

6.1 Grounds for Performance Interventions

The Authorisation Board may apply a Performance Intervention if the Authorisation Board has reasonable grounds to believe that:

- (a) the Sponsor has breached;

- (i) this Agreement (including any warranty set out in this Agreement); or
 - (ii) any Applicable Law or any other contractual obligations in the respect of the Charter School (in each case, whether or not the relevant breach also constitutes a breach of this Agreement or is likely to do so); and/or
- (b) any other grounds for an Intervention set out in the ETA from time to time applies.

Guidance Note: The following are illustrative examples of grounds for a Performance Intervention:

-  Failure to satisfy any aspect of the **Performance Plan**
-  Failure to appoint and maintain a **person responsible for teaching** and learning or a persistent failure of that person to perform their function
-  Provision of **information** to the Authorisation Board or Agency that is misleading or inaccurate in any material respect
-  Non-compliance with an **Approval Condition**

6.2 Process for Performance Interventions

- (a) If the Authorisation Board intends to apply a Performance Intervention, the Authorisation Board must give a written notice to the Sponsor (**Performance Notice**), which sets out:
 - (i) the relevant grounds for the Performance Intervention (**Relevant GFI**), including (if applicable to the Relevant GFI):
 - (A) the obligation the Sponsor has failed to comply with under Applicable Law or any other contractual obligations in respect of the Charter School (in each case, whether or not the relevant breach also constitutes a breach of this Agreement or is likely to do so); and
 - (B) the grounds for the Authorisation Board's belief that the Relevant GFI has occurred;
 - (ii) the Authorisation Board's intention to apply a Performance Intervention;

- (iii) the applicable type of Performance Intervention (**Relevant Intervention**) and any other details reasonably required by the Sponsor to comply with the Relevant Intervention (subject to clause 6.2(b)); and
 - (iv) whether the Relevant GFI is capable of remedy and, if so, the actions the Sponsor must take to remedy the Relevant GFI and a reasonable deadline for such actions to be completed (**Remedy Period**).
- (b) The Authorisation Board may follow up with a supplementary notice to a Performance Notice from time to time (**Supplementary Notice**):
 - (i) to confirm the type and details of the Relevant Intervention, if they have not been determined at the date of the Performance Notice; and/or
 - (ii) to apply a replacement and/or additional Performance Intervention in connection with the Relevant GFI.
- (c) The Authorisation Board may consult with the Sponsor (acting reasonably) on any response to the Performance Notice or any Supplementary Notice from the Sponsor, including:
 - (i) the Remedy Period; and/or
 - (ii) the type and details of the Relevant Intervention.
- (d) The Sponsor must comply with the Relevant Intervention if:
 - (i) the Relevant GFI is not capable of remedy; or
 - (ii) the Sponsor has not remedied the Relevant GFI within the Remedy Period.
- (e) The Sponsor must provide the Authorisation Board with any reporting, updates and/or information, as well as access to the Charter School, reasonably requested by the Authorisation Board to enable the Authorisation Board to monitor the Sponsor's compliance with the Relevant Intervention and progress towards remedying the Relevant GFI (for clarity, without limiting the Sponsor's obligations in relation to interventions set out in the ETA).
- (f) The Authorisation Board must notify the Sponsor when the Authorisation Board is satisfied that the Relevant GFI has been remedied and/or a Relevant Intervention is no longer required (**Intervention Completion Notice**).

ETA Guidance Note: Under the ETA (clause 3 of Schedule 6A), the Authorisation Board may delegate any of its functions, duties, or powers under the ETA to the chief executive of the Agency (among others).

If the Authorisation Board delegates any of its functions, duties, or powers under the ETA to the chief executive of the Agency, the Sponsor must comply with any requirements or directions of the Agency pursuant to that delegation, including in relation to:

applying an Intervention; and

requirements for Intervention reporting, updates or information.

 - (ii) the Sponsor will use reasonable endeavours to avoid or mitigate the impact of the Force Majeure Event.
- (c) If a Force Majeure Event impacts, or is likely to impact, the Charter School for a material period, the Authorisation Board may apply an appropriate Intervention in accordance with clause 6 and the ETA (including, if applicable, a Termination Intervention).

- (b) terms of this Agreement which expressly, or by implication are intended to, survive termination or expiry.

8.3 Disengagement

On expiry or termination of this Agreement, the Sponsor must:

- (a) use reasonable endeavours to ensure that the transfer or closure of the Charter School (as applicable) is orderly and efficient and minimises any impact on Students and staff (and, if requested by the Agency, prepare a Disengagement Plan that sets out information requested by the Agency relating to transfer or closure of the Charter School);
- (b) co-operate with the Agency and each Relevant Person and comply with all instructions from the Agency, including any such instructions set out in the termination notice or otherwise notified to the Sponsor in writing;

- (d) cease using any Confidential Information of the Agency and, if requested by the Agency, return or destroy (at the Agency's direction) all Confidential Information and other Charter School materials provided to the Sponsor by the Agency.

- 8.4 If the Agreement is terminated for any reason, then, where the Sponsor (or a Related Sponsor) owns the school property for the Charter School, the Sponsor will (or will procure that the Related Sponsor will), at the Agency's request, enter into a lease with the Crown or a newly appointed or replacement sponsor on reasonable market terms, including as to rent (for a period of up to [x] years). If there is a dispute as to what constitutes reasonable market terms, those terms shall be determined by an independent expert (appointed by the Agency).
